[57] CLAIM

[11]

[45]

The ornamental design for a muffler for a pneumatically powered tool, as shown and described.

DESCRIPTION

FIG. 1 is a side elevational view of a muffler for a pneumatically powered tool showing my new design, as viewed when removably attached to a pneumatically powered tool;

FIG. 2 is a perspective view thereof;

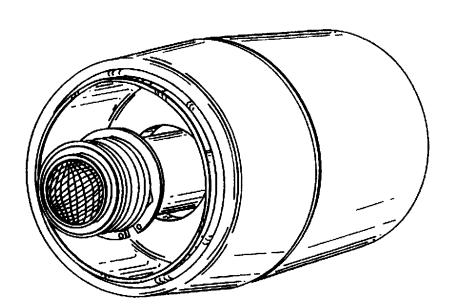

FIG. 3 is a side elevational view thereof;

FIG. 4 is an end view thereof, as viewed from the left of FIG. 3; and,

FIG. 5 is an end view thereof, as viewed from the right of FIG. 3.

The broken line showing is for illustrative purposes only and forms no part of the claimed design.
