(57) **CLAIM**

The ornamental design for a picture frame message board, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the present invention picture frame message board;

FIG. 2 is a right side elevational view of the picture frame message board;

FIG. 3 is a left side elevational view of the picture frame message board;

FIG. 4 is a front elevational view of the picture frame message board;

FIG. 5 is a back elevational view of the picture frame message board;

FIG. 6 is a top plan view of the picture frame message board; and,

FIG. 7 is a bottom plan view of the picture frame message board.

The broken line illustration of letters arranged on a front surface of the picture frame message board and the image of a woman in FIG. 1 is for illustrative purposes only and forms no part of the claimed invention. Additionally, the broken line illustration of a recessed back surface of the picture frame message board in FIG. 5 is for illustrative purposes only and forms no part of the claimed invention.
