Registered Sep. 26, 2023

Int. Cl.: 17, 19, 37, 40, 42

Service Mark

Trademark

Principal Register

Vanocur Refractories, LLC (DELAWARE LIMITED LIABILITY COMPANY)
4001 River Road
Tonawanda, NEW YORK 14150

CLASS 17: Ceramic thermal conduction refractory material, not for buildings

FIRST USE 5-5-2005; IN COMMERCE 5-5-2005

CLASS 19: Ceramic refractory material, namely, ceramic refractory construction and repair materials in the nature of bricks, blocks, modules, lining, refractory mortars, fired refractory materials, refractory shapes, refractory construction materials, not of metal; ceramic refractory bricks, blocks, modules, lining, refractory mortars, fired refractory materials, not of metal, for coke oven walls; ceramic refractory shapes, not of metal, for coke oven walls; ceramic refractory construction materials, not of metal, for coke oven walls; ceramic refractory material made of double fuse silica for coke oven walls and high temperature processes in industrial use

FIRST USE 5-5-2005; IN COMMERCE 5-5-2005

CLASS 37: Installation services, namely, installation of coke ovens, refractory walls, coke oven walls, refractory furnace wall components, and refractory products in the nature of refractory construction materials; maintenance, repair and reconstruction of furnaces, refractory walls, coke oven walls, refractory furnace wall components, refractory products in the nature of refractory construction materials, and refractory furnace wall components; consultation services in the field of installation and repair of custom coke ovens, coke oven bricks, and coke oven components

FIRST USE 5-5-2005; IN COMMERCE 5-5-2005

CLASS 40: Custom manufacturing services, namely, custom manufacturing of coke ovens, coke oven bricks, and coke oven components; consultation services in the field of manufacturing of custom coke ovens, coke oven bricks, and coke oven components

FIRST USE 5-5-2005; IN COMMERCE 5-5-2005

CLASS 42: Design and engineering of custom coke ovens, coke oven bricks and coke oven components; consultation services in the field of design and engineering of custom coke ovens, coke oven bricks, and coke oven components

FIRST USE 5-5-2005; IN COMMERCE 5-5-2005

The color(s) red, black, and white is/are claimed as a feature of the mark.

The mark consists of a rectangular design of a stylized "V" in white with the color black below the "V" and the color red above the "V" with the entire design to the left of the

Katherine Kelly Vidal

Director of the United States
Patent and Trademark Office

word "VANOCUR" in block letters in the color red with black rectangular borders above and below the "V VANOCUR" design with the phrase "REFRATORIES, LLC" in white on the bottom right of the black border.

No claim is made to the exclusive right to use the following apart from the mark as shown: "REFRATORIES, LLC"
